To ensure your safe enjoyment of the spa area we request that you read through and adhere to the rules of this document. By signing below [everone using the spa faciities accepts the conditions of use](#) as set out in this document agreeing to leave the space in the same good working order and clean condition.

## OPERATIONS

- On arrival you will have been informed of the health and safety rules for using the spa. The spa health and saftey document is also displayed in the spa area.
- We advise you to arrive a few minutes in advance in order to take full advantage of your private hour of relaxation in the spa. It is imperative that you please vacate the spa room on time. This will enable us to offer clean and timely access to following clients. Likewise you will appreciate the punctuality of preceding spa users.
- Operating water temperatures are normally 36-37°C with bubble cycles set to increments of 40 minutes.
- You need only use 2 buttons located next to each other on the inside edge of the spa tub. These operate the underwater lighting and bubble cycle respectively. To switch these on or off depress/ pump the button twice.
- Spa water is regularly checked to maintain quality and temperature.
- Please inform us at the earliest opportunity of any fault or damage within the spa.

## CIVIL RESPONSABILITY

- As a [client you are responsible for your correct use of the spa infrastructure](#). Please refer to the usage instructions, health and safety notices presented to you. It is important that you familiarise yourself with these and respect the necessary usage precautions and safety requirements.
- In the case of [innappropriate use or disregard](#) of these health and safety rules [you will be held responsible and accountable for any incurring costs for damages and their associated repairs and/ or cleaning](#) to restore the space to its prior condition.
- The spa area [will be inspected](#) and cleaned following your departure. Your attention will quickly be drawn to any problems found i.e. the same day or the following day concerning the final time allocation.
